WELL KNOWN ENTERTAINERS HERE THURSDAY

The Capital Entertainers are making a return engagement to Sidney on Thursday night with a complete change of program.

The addition of Alexander the hypnotist to their bill assures the patrons of a great evening's amusement.

On the occasion of their last visit the general opinion was that their show was the best ever to visit Sidney—the best in fact people had seen for years.

Their reputation should assure them of a capacity house. They appear at Stacey's Hall. Coming?

Awards are announced of the Canadian Horticultural Council's Challenge Cup for the best all-round garden on Vancouver Island, and the medals awarded by the Vancouver Island Horticultural Association for the different classes in this competition.

The Island Garden Competition, inaugurated six years ago by the Vancouver Island Horticultural Association and steadily growing in importance and value to the affiliated societies for whose benefit it is primarily designed, drew into competition this year the choicest gardens of six different districts. All gardens are judged on a score card providing a total of 450 points for which 200 points are allotted to the flower garden, 200 points to vegetables, and 50 for fruit. The magnificent challenge cup donated by the Canadian Horticultural Council which goes to the garden scoring the highest total is won this year for the second time in succession by Mrs. J. M. Abbott, 934 Falmouth Road, Saanich, B.C.

The C.C.F.

(CANADIAN "CANNING" FEDERATION)

I've seen a lot of Canning—age and no doubt so have you, But the Goods the C.C.F. Can are absolutely New. For instance, there's Bob Bennett—now I think it's just a shame That they would Can poor Bobby, since we know he's not to blame For this thing they call Depression, any more than you or I, Or the girl who lost her bathing pants "Coming Through the Rye."

There's several Specialties they'd Can—and great reform bring, Including Banks and Wheat Pools, and the brave MacKenzie King. They've got their eye on Tobin—but they're out of luck in that, For Simon wouldn't Can well, since the Doctor's rather fat. They've listed other delicacies which they'd Can without fail—well So says that amiable Oracle, the redoubtable Miss McPhail.

When they start operating we will sure have better times, We'll be packing wads of Dollar Bills instead of Cents and Dimes, And those who really want to work will work just when they like, And everyone will own a Car, an Aeroplane or Bike, There's one thing we'd be thankful for—and hope 'twill come to pass, That the C.C.F. succeed in "Canning" useless Political Gas.

Ex-Service Men To Meet On Thursday

A meeting of the North Saanich Branch of the Canadian Legion, B.E.S.L., will be held in the Orange Hall, Saanich, on Thursday, Sept. 7th, at 8 o'clock.

The speaker of the evening will be Comte de Suzannet, and his subject "Verdun" will prove of vast interest to ex-service men, who remember the long series of desperate ventures by the German Crown Prince to break through the French lines.

A good turn out of members is expected and an invitation is extended to all ex-service men of the district to be present.

The meeting will commence at 8 o'clock prompt.

CALF CLUBS ARE VALUABLE

The most constructive feature of any fair is the junior farmers' section. The junior competitions are valuable in themselves, but it is what they lead to that is important. We cannot but infer from observation the fact that in the young farmer of today lies the hope for an enlightened farming community of tomorrow.

Boys' and girls' calf club work, recognized as one of the most potent influences of the live stock industry, has been well proven in Iain Wilson's signal success at the Canadian Pacific Exhibition in Vancouver. Iain, son of Capt. and Mrs. C. R. Wilson, "Heather Farm," is a member of the 1933 Saanich Jersey Calf Club and personally selected his own calf for this year, guided by the knowledge and experience gained in his past two years of calf club work. Caring for and fitting his calf and the young herd sire of his father he left for Vancouver Exhibition on August 27th.

Iain's calf club calf, "Oxford's Sybil's Pride," took first honors in the boys' and girls' calf club class, and second in the open class of 15 exhibitors. The young bull "Bowling's Xenia's Oxford" took second in the strong yearling class and succeeded in capturing the reserve junior championship.

"Oxford's Sybil's Pride" is sired by the well known imported bull "Oxford Sultan of Oxford," sire of "La Sentes Oxford Sultan," winner of bull and progeny prize over the Island of Jersey; "Oxford Day Dream," grand champion at the Canadian National Exhibition, Toronto, 1932; "Oxford Oxford Glory," junior champion at the Canadian National Exhibition, Toronto, 1925; "Glamorgan Aggie," winner of six grand championships. The dam is the imported cow "Grainville Pride 3rd" with an R.O.P. record of 641 pounds of butter fat.

The bull, "Bowling's Xenia's Oxford," is by the same sire as the calf, namely "Oxford Sultan of Oxford," purchased by David Spencer Limited for \$5,000. The dam is the well known imported cow "Sultan's Gem," four times grand champion at Victoria and Vancouver, first prize two-year-old at Canadian National Exhibition, Toronto, 1925, and twice won the R.O.P. class at the Pacific International at Portland.

Iain will entrain for Victoria Thursday, where he will add two more cows to his string.

JAMES ISLAND CAPTURES ISLANDS SOFTBALL TITLE

James Island captured the Islands Electoral District softball championship on Labor Day at Sidney by disposing of all opposition in a very decisive manner, and now hold the Macintosh Challenge Cup, emblematic of same.

All available seats and even standing room was occupied long before the final clash at 6 o'clock, when the James Island team and Sidney met for the honors of the day. The winning team took the lead from the very first inning when they chalked up no less than four runs, adding two in the third and three in the fourth, while Sidney players only crossed the plate twice, both in the fifth. Though the score was more or less one-sided the fans witnessed some very snappy play, the winning team being loudly cheered as they left the field at the close of the game.

Getting under way promptly at 10 o'clock in the morning the two diamonds at the Memorial Park, Sidney, were in use throughout the day until 7 o'clock at night.

This big all-day tournament is an entirely new venture and most satisfactory indeed was the support from all points in the Islands District. The weatherman, too, showed a smiling face in honor of the event, though the raindrops have been falling fast enough ever since the last game was completed. From early morning until well on in the afternoon streams of players and fans could be seen wending their way to the park on Beacon Avenue, some arriving by launch while others came by ferry or car.

Excitement ran high throughout the day as fans followed their favorite team from diamond to diamond, checking up on the good points and overlooking the errors.

"Come on Dad! Come on Dad!" was the cry heard from every quarter during the two games before the team of "Over 40" was knocked out. Coming up against the "Outlaws" of the North Saanich district, first thing in the morning, they surprised the younger players, and a great many others too, by taking the game by 11-8. Mr. Art Jones and Mr. Frank Lines, two veterans of the field, were pitcher and catcher respectively and the line-up behind them had very few errors against them. At 2 o'clock this same team played a snappy brand of ball against their opponents, "Lind's," and this time lost out by a fairly close score, 16-13.

An interesting game was the battle between Sidney and Ganges "A" at 11 a.m., a large crowd pulling for each team, Sidney finally getting the best of the argument, 9-4.

One of the best games of the day was the James Island and North Saanich "A" battle at 3 p.m. James Island took the field and tight play marked the whole seven innings. At the close of the fifth the score stood 5-5 and though the North Saanich boys did their best to make the circuit no player was able to get beyond the first stopping place, while the James Island heavy hitters succeeded in clearing the bases from time to time. The sixth to win with a 9-5 score. Rivers and Develin did the heavy work for James Island while G. Lenman was behind the plate for North Saanich and H. Nunn and Les Head did the hitting.

Visiting players from Shawanigan Lake and the New Method Laundry, Victoria, put on a fast and snappy exhibition game at 5 o'clock when after nine innings the score had only reached 1-1. Shawanigan Lake won the prize on the toss.

Horan Lind, manager of Lind's team, is deserving of credit for the showing of his players, this being a real impromptu team, players never having worked together before.

Three teams were present from Salt Spring Island, two from Fulford and one from Ganges, Fulford "A" team putting up a real game against the North Saanich "A" team in the first round. Mayne Island was also represented on the entry list, being downed in the first round by the "B" team from Fulford.

A mixed team from the Young People's Society, Sidney, was also entered for the day's fun, losing out in a large score to Lind's.

Umpires were kept on the hop most of the day calling the balls and strikes while scorekeepers and markers of special prizes had their eyes ever on their "particular" game.

Immediately following the pitching of the final ball, prizes for the day were awarded, winners stepping to the centre of the diamond in front of the grandstand to receive their awards, presented to them by Mrs. Hugh J. McIntyre.

Loud were the cheers as the James Island team stepped forward to take possession of the Macintosh Challenge Cup, also to receive the handsome individual silver cups awarded to each player on the team. The

Sidney boys, the runners-up, received the lovely silver medals.

The nine special prizes, ranging from an award for the oldest player to a "mystery" prize for the runners-up in the exhibition game went to the following:

Oldest player—Mr. J. A. Nunn, "Over 40" team; his age is a secret, somewhere between 55 and 100!

Youngest player—Stanley Harris, of Fulford "B" team, age eight years.

Most hits in any one game—A. Nelson, James Island, five hits.

Most runs in any one game—J. Bond, James Island, six runs.

Most home runs in any one game—H. Mowat, Lind's team; W. Jones, North Saanich "A"; W. Thompson, James Island; two each; in the toss W. Jones won.

Fielder gathering in the most flies, in any one game—W. Jones, North Saanich "A" team, six.

Pitcher credited with most strikeouts in any one game—P. Ricketts, "Outlaws," seven.

Shawinigan Lake won the prize for the exhibition game while New Method Laundry was awarded the "mystery" prize.

Teams, fans, families and officials are unanimous in their praise of the big day's entertainment, the real community spirit being very prevalent indeed.

The crowds that thronged the park found stalls of refreshments, etc., most convenient and those in charge report a good day's business.

C.C.F. PLANS TO ORGANIZE HERE

A meeting of the C.C.F. was held in Sidney on Saturday evening, at Stacey's Hall, at which W. B. Caird and V. R. Midgeley, of Victoria, spoke on C.C.F. policies.

It was pointed out and continually stressed that the basic principle of the federation is the supplying of human needs instead of the making of profits.

No organization was formed at the meeting, but it is expected parties interested in the movement will form a local council early so that a candidate for this constituency may seek election to membership of the next provincial legislature.

SCHOOL BELLS RANG OUT ON TUESDAY

With the holiday season over thoughts of books and pencils have found their rightful places in the minds of hundreds of pupils who assembled for the first day of the fall term on Tuesday, September 5th.

Sun-tanned and full of healthful vigor, the result of hours of tramping and swimming and summer days spent in the health restoring sunshine, scores of boys and girls of the community returned to their school duties ready and eager to take on all that is offered, while there was many a quiver in the heart of the small child who for the first time entered through the school doors.

Nine o'clock Tuesday morning found the following teachers on duty at the Sidney school: Principal J. Ramsay, division 1; Mr. Harold Dickson, division 2; Miss Rose Lorden, division 3; Miss Dora Heap, division 4.

Principal Eric Forster will head the staff of the North Saanich high and public schools, with Mr. A. E. Vogue, Miss M. S. Brogan and Miss A. E. Lorenzen in charge of their separate divisions.

BANQUET FOR FARM WORKERS

In honor of Mr. Jackson Coward and Mr. J. Reid, who are retiring from service at the Dominion Experimental Station, Sidney, a banquet was held on Thursday evening in the park grounds.

Over 60 workers and members of their families were present to enjoy the occasion. A bountiful supper of chicken, salad and many other delicacies was served while guests were seated at the large table in the park.

A very pleasing incident took place when, on behalf of the superintendent and employees of the farm, Prof. E. M. Straight, the superintendent, presented each of the guests of honor with a handsome easy chair.

Mr. Coward, who resides on Fifth Street in Sidney, is a well known local resident and is retiring after over 20 years of active service. Mr. Reid, a resident on East Saanich Road, near Tripp Station, has been employed at the farm for several years.

Send your Review to a friend when you are through with it.

Since 1883 when the late Henry Bentley, father of E. W. Bentley, chairman and president of the Canadian Pacific Railway, brought from Scotland three vessels equipped with sail and steam, was the reputation at that time for service on the Great Lakes, thousands of travellers have enjoyed this delightful land voyage from Owen Sound and more recently from Port McNicoll through the lakes at Salt Ste, Marie to Port William and Port Arthur.

It is a fitting tribute to the service of one's Canadian travel history as evidenced by the large passenger lists on the S. S. Keewatin and Assiniboia leaving twice weekly from Port McNicoll and on the S. S. Manitoba from Owen Sound weekly. The two former vessels have been in continuous service since 1908 and provide commodious quarters and an excellent table for those seeking a pleasant travel companion.

Both the Keewatin and the Assiniboia, 1,000 ton steamers, have had but three captains among whom Captain McNeilson on the Assiniboia is considered one of the best-known authorities on Great Lakes shipping. Until a few months ago there had been but three managers the late Henry Beatty, the late Arthur Piers, father of A. S. Piers, manager of the Real Estate Department of the Canadian Pacific and M. McDuff, now assistant to the chairman, Alvin Gallacher is now superintendent.

Since the S. S. Algonquin went ashore on Isle Royale in 1885, no vessel employed in this service has been lost. The S. S. Manitoba also carrying freight from Owen Sound, was built in the Polson Iron Works in that city, the remaining ships in Scottish yards.

OWNERS OF PROPERTY—Are you annoyed by having outside parties trespassing on your property during the hunting season? The Review has prepared a sign with the proper wording to help you in case you are looking for relief during the shooting season from unwelcome trespassing. We have secured a canvas material that will withstand the rain and dampness better than ordinary card. Wording on the sign incorporates an extract from the Game Act, pointing out clearly that hunters cannot tramp all over your property without your consent. For your benefit we give you the exact wording on this sign:

NO SHOOTING OR TRESPASSING

Extract from B.C. Game Act: "Section 12.—No person shall at any time enter, with any firearm or trap in his possession, or permit his dog to enter into any growing or standing grain or upon any cleared land or land under cultivation, not his own, without the permission of the owner; and no person shall at any time hunt, shoot, or trap, or with firearm or trap in his possession go upon any enclosed land of another without permission of the owner, lessee, or occupant thereof."

The sign is 10 inches in length and 9 inches in depth. The price, 25c each or five for \$1.00, postpaid to any address in British Columbia. Review, Sidney, B.C.

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "And many nations shall come, and say, Come, and let us go up to the mountain of the Lord, and to the house of the God of Jacob; and he will teach us of his ways, and we will walk in his paths; for the law shall go forth of Zion, and the word of the Lord from Jerusalem (Micah 4:2)."

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "All substance, intelligence, wisdom, being, immortality, cause, and effect belong to God. These are His attributes, the eternal manifestations of the infinite divine Principle, Love" (p. 275).
